Foreword

Dreams are an essential part of everyone's life. They are the hope and brightest spot in the most dismal days. They are the goal upon which we set our future hopes and which we work toward. Therefore, we, the Magnet staff, have chosen the theme for your Magnet of 1953-54; DREAMS.

We hope you will find this book with its genii, the symbol of all dreams and wishes, enjoyable now and ever after when you wish to reminisce.

We Salute You

Mr. Blayney will be missed by everyone connected with the school. We wish to commend him for his work here and wish him the best of luck in the future.

"To recount all the innumerable fine memories entwined around my years at the Selma Union High School would be an utter impossibility. The wonderful association with students and faculty will always remain as an inspiration.

"However it is not the past with its many fine accomplishments but the future of the Selma Union High School that should interest us all. To see our school located on a brand new site with plenty of room for expansion in physical facilities along with an enriched educational program of the finest, geared to a maximum service to our community and state, should be the major concern of all at the present time.

"Though I'm leaving the staff I will still stand by ever ready to do all I can for the better interest of our school.

"Some lines from the George Banks poem, 'What I Live For' should be an excellent future guide:

"For the cause that needs assistance,
For the wrong that needs resistance,
For the future, in the distance
and the good that I can do" "

G. A. MARSH, Vice Principal

ERMA STEVENS, Dean of Girls

Mr. Marsh returned as Vice Principal of the Selma Union High School this year. Mr. Marsh has had a very successful year. He has maintained strict discipline, yet won the admiration of all the students and the faculty.

Miss Stevens, Dean of Girls, began teaching at Selma High School. She has had a busy year with her duties as Dean of Girls, Senior Problems class instructor, and sponsor and founder of the Teen Toppers, a newly organized club for girls of 5'8" and over.

Mr. O. W. Ebright, Mr. R. Mallon, and Mr. W. Hansen, all started teaching during the second semester of this year. Mr. O. W. Ebright teaches General Science, U. S. History, and Social Living.

Mr. Robert Mallon teaches bookkeeping, typing, and Senior Problems.

Mr. William Hansen teaches the boys' agriculture class.

Custodians

Row I: W. Falutz, A. Lee, H. Petersen, H. Benight, F. Bethel, C. Paul, F. Dobbs.

MR. MORRIS KENNEDY

Morris Kennedy was a Selma Union High School bus driver for many years. He was a favorite with the faculty and school staff as well as with all the students, who will always remember him as the wonderful friend he always was.

Many thanks go to the bus-drivers for their job well done. They have a great responsibility of bringing the students back and forth each day.

Looking behind the scenes, we see the custodians busily working early and late hours. They are always working hard without the credit and recognition they deserve. When help is needed, they are always willing to assist both students and faculty. We are fortunate to have such custodians.

Row I: W. Falutz, S. Hughes, A. Goldbeck, G. Irwin. Row II: R. Morgan, R. Lucas, R. Schreoder.

Seniors

SENIOR OFFICERS: Jean Haseltine, Bob Haire, Sally Walker, Nancy Brentlinger.

As we await the Baccalaureate service and finally our graduation day, we leave this thought behind; it's been a worth-while four years which we have spent here at Selma High, and though we may leave, we leave with a feeling of sadness and anticipation to what may lie ahead of us.

We say thanks to our advisers Mrs. Westcoat, Mrs. Kielan, Mr. Webster, Mr. Burrell, and Mr. Meddars for their interest and cooperation in all the difficult undertakings of our class, the class of 1954.

SENIOR COUNCIL: Row I, Kneeling: Tom Almanzo, Bob Haire, Nelson Enmark, Leigh Manoogian. Row II: Jean Haseltine, Farolene Connelly, Sally Walker, Nancy Brentlinger, Joy Reitz, Nancy Arrington, Sandra Tanke, Diane Woodard.

Junior Class

"Just wait until next year." This is the common phrase of all juniors, and it holds true for the class of "55."

The class of "55" has accomplished a great many things this year. They have been prominent in many activities. Next year's seniors have made quite a mark for themselves.

Finances for the Jr-Sr. Banquet were provided by the concessions which they operated during the football and basketball seasons. This banquet will be indelibly imprinted on the minds of all who attended.

Here's to next year and a fine group.

Sophomore Class

We don't hold by the definition of sophomore expressed in the dictionary. This group was wise and aggressive. They showed their true colors when the whole class pitched together and sponsored the "Gay Nineties Dance." The dance was named as one of the year's finest.

The success of this group has proven that it will be an outstanding class in their future years at Selma High.

MAJORETTES: Left to right: Linda Reno, Nancy Yarbrough, Lyn' Nielsen, Gail Johnson, Carla Byrne, Janelee Volkman, Sandra Tanke, Marie Craven.

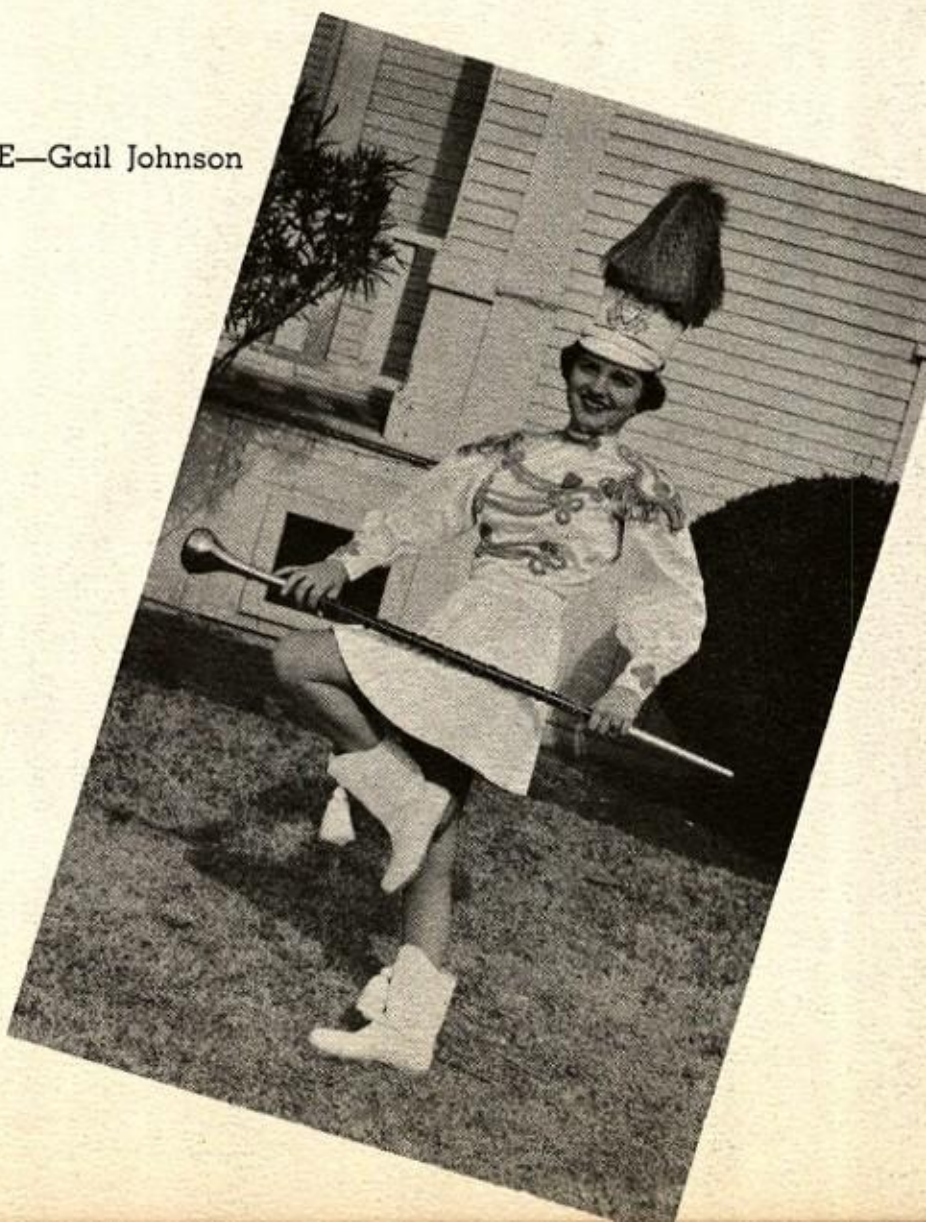

The Selma Union High School Band under the direction of Arthur C. Nord had a very successful 1953-54 season. The band consisted of 100 band members with full instrumentation, nine majorettes and five flag carriers.

The band participated in parades at Clovis, Hanford, Dinuba, Fresno, and Long Beach, and did a varied band stunt for every football game. The concert band with guest soloists played a concert of classical as well as popular music to the band concert on May 7th.

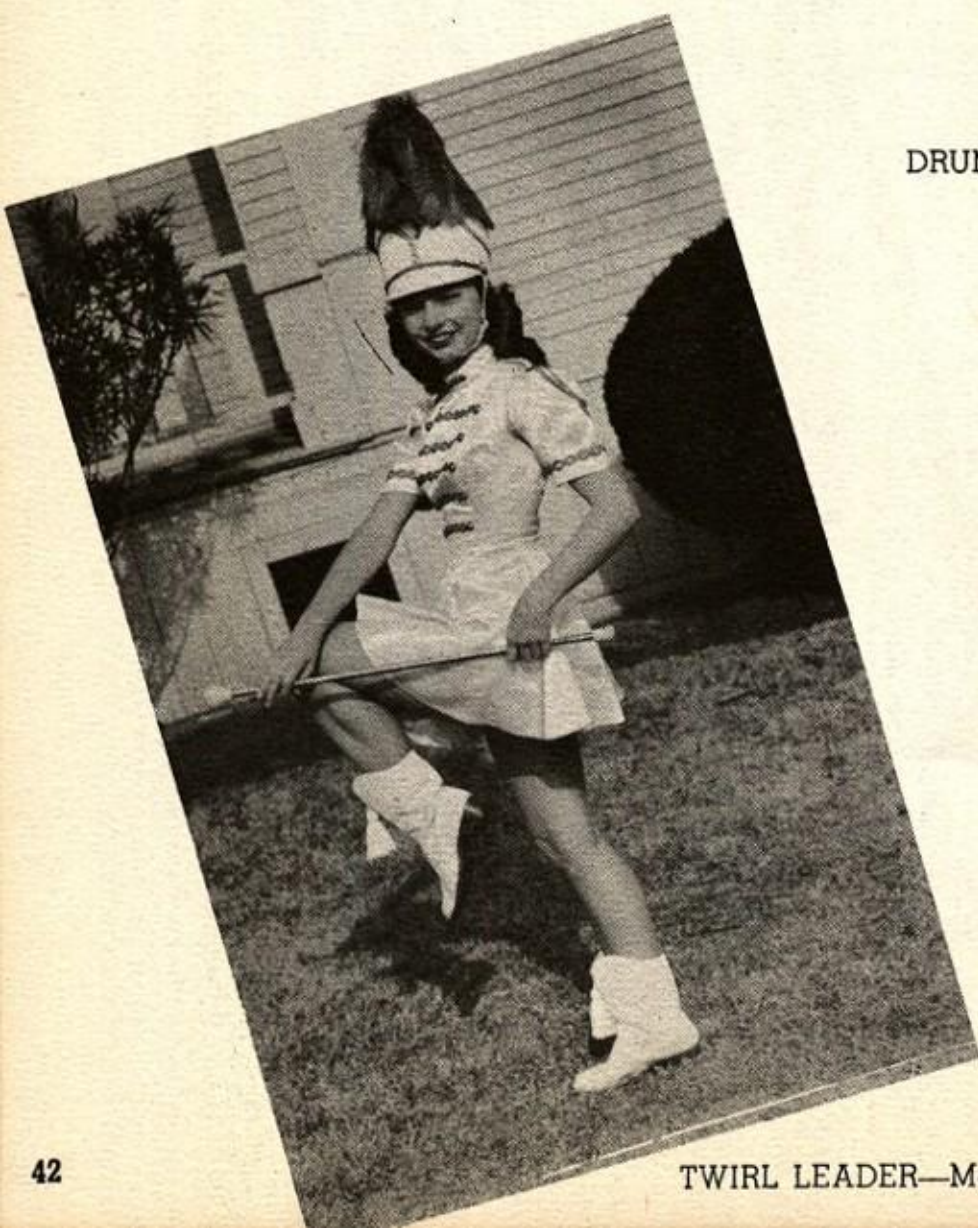

The band appeared in new uniforms, the old ones having been in use for thirteen years.

The band is considered one of the outstanding bands in the valley, having won 42 trophies, ribbons and medals during the sixteen years under Mr. Nord's direction.

This past year has been very busy for the Glee Club.

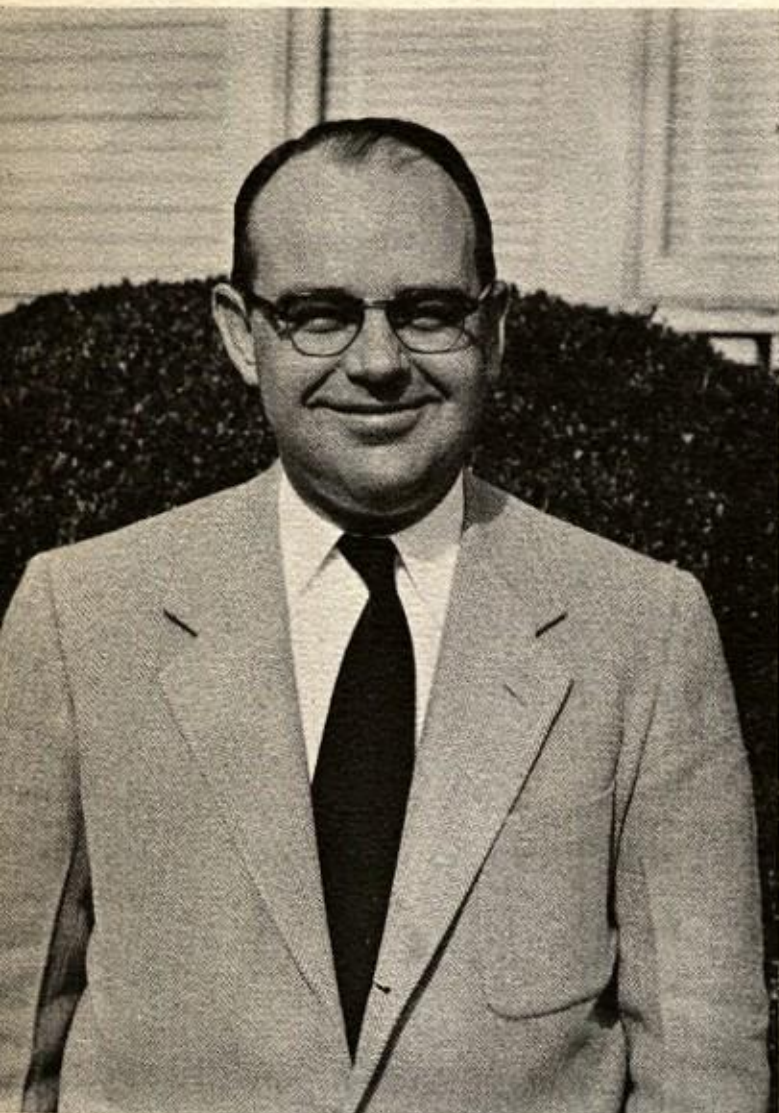

The Glee Club along with the Treble Clef and the Sophomore Sextette sang at the annual Christmas program, they also went caroling throughout the halls just before Christmas. This year a Lincoln Assembly was held and the Glee Club sang a few different numbers.

This year the "Fortune Teller" was selected as the operetta. Much time was spent on this operetta, but, it proved that the time was well spent as the operetta was a success.

Various clubs and organizations were entertained by the small groups along with the Glee Club.

The boys glee, with their gold neckties, were a bright sight this year wherever they went, and they went everywhere. During the year they sang and acted in the Operetta "The Fortune Teller," and they participated in the Music Festival at Clovis where they received an excellent rating.

Swing Band

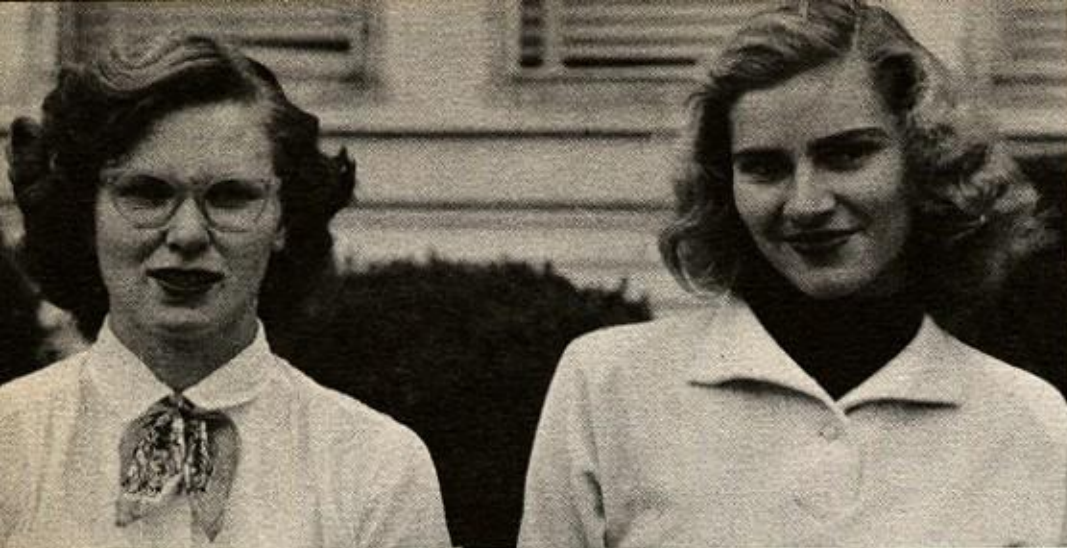

"There's that band again." That could easily be the trade mark of Mr. Nord and his musical masters.

The swing band made with the jive at many school dances plus other school functions. We believe that they have done a note-worthy job.

The Juniors introduced a new style of play this year, with an old fashioned melodrama called 'The Curse of An Aching Heart' or 'Caught in a Spider's Web.' The heroine was extremely sweet, the hero extremely heroic, and the villain extremely villainous.

Booing, cheering, hissing and applause were encouraged by the man-

agement. Indeed, as the plot became more and more complicated, a landslide of paper bags landed on the villain.

In between the second and third acts, 'olios' were given by Nancy Brentlinger, Pat Balakian, and Louise Taylor. Nancy and Pat gave a soft shoe dance and Louise sang "Papa, Dear Papa, Come Home to Us Now."

This year the senior class, under the direction of Mr. Rodney Kuehne, presented a three act comedy full of pathos and laughter entitled "Melody Jones."

Something new and different was tried this year in the presentation of the play. The play was presented in the gymnasium with the audience being seated on all four sides of the actors in drawing room style. The method proved very successful, and the play was rated tops.

During the year you may have seen our good looking corps of cadets. They police at football and basketball games. They present the colors at games and at assemblies.

Their activities consist largely of rifle matches against other schools, but this year they're curtailed because of the Rifle Range in the Science Bldg. being condemned.

Mr. Horstmann and Mr. Stone are planning an annual dance, THE MILITARY BALL, beginning next year. It will be a formal affair.

Objectives of the Corps are to develop qualities of leadership, basic knowledge of the Armed Forces of the U. S., citizenship, and to develop a sense of real and solid patriotism.

The Glee Clubs presented the old favorite, "The Fortune Teller," under the direction of Mr. Nelson Walling, for the Operetta this year.

The Fortune Teller tells the story of a young gypsy maid, Musette, played by Nancy Brentlinger, who was sold by her parents to take the place of Irma, a beautiful dancer in the chorus, played by Lee Ann Monterro. Irma had been forced to promise to marry the stuffy old Count Berezowsky, because of a lost lottery ticket.

Finally everyone was straightened out and Musette was sent back to her sweetheart Sandor, while Irma was set free from her promise to marry the Count. Though the Count was lonely for awhile, he finally settled for the old flirt, Madame Pom-Pom.

Mighty things come in small packages. That could easily be used to describe Selma's Cub's this year.

The Cubs' record, although not too impressive, doesn't actually give a true picture of the hard fighting team. Three of the games lost were by six points or less.

With a group of spirited boys like these, we can look forward to next year's football team with a great deal of enthusiasm.

SANGER

The Selma Bears fought hard against the Sanger Apaches but were handed a 20-6 defeat.

The first quarter was fairly evenly matched. After a week's practice and excellent coaching from Coach Chupich, Selma pulled their first quick kick in the first quarter. It worked and set Sanger back quite far.

The second quarter hadn't gotten very far underway when Gene Barnes issued the first score of the game for Sanger. He went over from about the Selma eleven yard line. An intercepted pass by Fred Scharnick was all Sanger needed for another touchdown, as he ran 35 yards after intercepting the pass intended for Mickey Self. As the gun went off for the half, Selma was about 2 yards from the Sanger goal line.

Sanger scored again in the third quarter when Ashmore went over from the Selma five-yard line. Selma made their only score in the fourth quarter when Harold Marquez passed into the end zone to Glen Bixler but Selma had the crowd standing twice when they came too close for Sanger's comfort but were held.

REEDLEY

The Reedley High School Pirates handed the Selma Bears another league loss by a score of 19-14.

The Pirates took advantage of a Selma fumble on Selma's 25-yard line and scored after a series of plays with Pete Rogalsky going over from about the two-yard line. The first quarter ended 7-0.

Early in the second quarter Ray Olvera of Reedley went into the end zone from the Selma five. Selma finally got their defense set up and held the Pirates to the half. Selma had many passing attacks and tried hard to score, but the Pirates wouldn't let Selma inside their 16. The half ended 13-0.

Selma's efforts paid off late in the third quarter when, after receiving a short pass from Joe Dominguez, Bob Gonzales ran about 40 yards for a touchdown. Bob had to dodge many Pirates even though he did have some interference. The third quarter ended 13-7, Reedley in front.

In the fourth quarter Selma was driving for another touchdown when they fumbled on Reedley's 15-yard line. Reedley took over the ball and ran it up

LEMOORE

The Selma varsity squad introduced themselves in fine fashion as they trounced Lemoore's varsity 36-0.

The Bears seemed to be as new as their uniforms as they gained 155 yards by scrimmage and 171 yards by connecting 8 out of 15 passes.

The first quarter ended 8-0, with Selma in front.

The play of the game was Harold Marquez' 455-yard pass to Glenn Bixler, which came in the second quarter. Although the driving Bears scored 27 points against Lemoore in the first half, Lemoore held them to one touchdown and a total of nine points in the second half.

DOS PALOS

The Selma High Bears ended their 1953 football season with a fourth place in the league and a win over the Dos Palos Broncos with the score 28-12.

On the first kick off Jesse Spain ran 85 yards for a touchdown. This sent Dos Palos ahead 6-0 right away. Dos Palos didn't stay ahead very long, as Selma scored on a 59 yard run by Bob Gonzales. Bob ran through the line and got away from the Dos Palos

tacklers. Later he picked up Bill Hughey for interference but didn't really need him, as no Dos Palos players were near him.

Dos Palos scored again with Spain going over from the Selma six early in the second quarter. When Dos Palos kicked off, Bob Danganan got the ball on the Selma ten, reversed to Harold Marquez, who got away from a Dos Palos man, picked up some interference and ran all the way for a Selma touchdown. Glenn Bixler threw a key block on this ninety yard return run. The half ended Selma 14 Dos Palos 12.

The next score of the game came when Harold Marquez passed to Bill Hughey, who got away from some Broncos and ran the rest of the way. This pass was good for a 43 yard touchdown. Selma scored again early in the fourth quarter when Marquez plunged over from the Bronco four.

WASHINGTON

The small but mighty Bears again upset the officials' foretellings by handing Washington a 20-6 defeat.

During the scoreless first quarter neither team seemed to have the ability to score, but in the latter part of the first half the Bears began to move with a touchdown pass from Marquez to Bixler after several other passing gains.

An incident that very seldom happens occurred in this exciting game. On Washington's third down they attempted a pass and the gun went off. This should have ended the half, but there was a penalty on Selma. Washington took the penalty and got another play. They passed again and almost made a touchdown, and they would have if one of the defensive stars of the game, Bob Little, hadn't overtaken the pass receiver and stopped him. Again there was a penalty on Selma and Washington, with their hopes up for a touchdown, took the penalty. Again they tried a pass, but Joe Dominguez intercepted the throw and with several members of the squad blocking for him scored a touchdown for Selma. The half ended 13-0, Selma leading.

In the third quarter Washington made their first and only touchdown when Walsh plunged into Selma's end zone after several running gains from their own 34-yard line.

FOWLER

Three touchdown passes from Joe Dominguez to Glen Bixler and a 55-yard punt return by Selma's Bob Danganan proved to be too much for Fowler as the small but mighty Bears came from behind to disappoint the Fowler Red Cats eleven 25-20.

Fowler's hopes for a win jumped about the half of the first quarter, when after they intercepted a pass and drove 52 yards to Selma's 6-yard line, Nat Brown went over for the first touchdown of the game. The Selma Bears did not get dis-

couraged, though, as they came back in the second quarter with a touchdown pass from Joe Dominguez to Bob Danganan. The half ended 6-6.

The next touchdown came in the third quarter when Harold Robinson went over from Selma's 9-yard line. Robinson again went over the end zone early in the first of the last quarter. Fowler seemed to have the game cinched at 20-6; but the Bears finally got rolling with a 25-yard pass from Joe Dominguez to Bill Hughey, a short run and a touchdown pass of 30 yards from Joe to Glenn Bixler making the score 20-12.

Selma scored again with Bob Danganan's spectacular 65-yard touchdown punt return. Selma converted and made the score 20-19. After that Fowler took over the ball and was forced to punt. Selma then took the ball and went on a passing attack. First Joe connected with Hughey again and then he connected with Mickey Self, and while the crowd went wild, Glenn Bixler caught Joe's pass inside the end zone. This proved to be the winning touchdown.

KINGSBURG

The Kingsburg Vikings steam-rollered Selma's crippled A-squad to a score of 53-13. Rafer Johnson and Guy Troisi were too much for the Selma eleven from the start. Johnson made five of the touchdowns and all of the converts, while Troisi went over for the other three Kingsburg touchdowns. Johnson couldn't seem to be stopped after getting to his full speed. Johnson has many abilities as his kick-offs and conversions were of an excellent standing. One of his kick-offs went into the end zone. Once he made a conversion from about the 20-yard line.

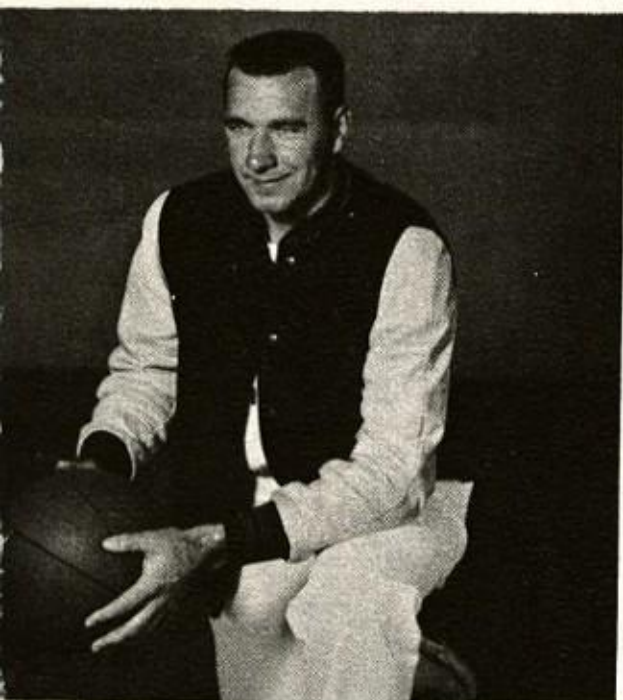

MEMORIAL

The crippled Selma Bears dropped their first league game to the Memorial Panthers by a score of 19-0. The Panthers made three touchdowns in the first three-fourths of the first half, but the Bears fighting squad held them scoreless from then on.

The Bears threatened to plow the end zone twice in the second quarter and once in the fourth quarter. The Panthers got close to scoring in the fourth quarter but were checked by the Bears' defence.

Joe Dominguez, Harold Marquez, Bill Hughey, Glenn Bixler, Bob Dangaran.

In the first half of league play the Bears racked up four wins against one loss. The second half ended with the record standing — seven wins and three losses.

Sparked by stellar performance, Selma walked off with the Northern Sequoia Championship crown.

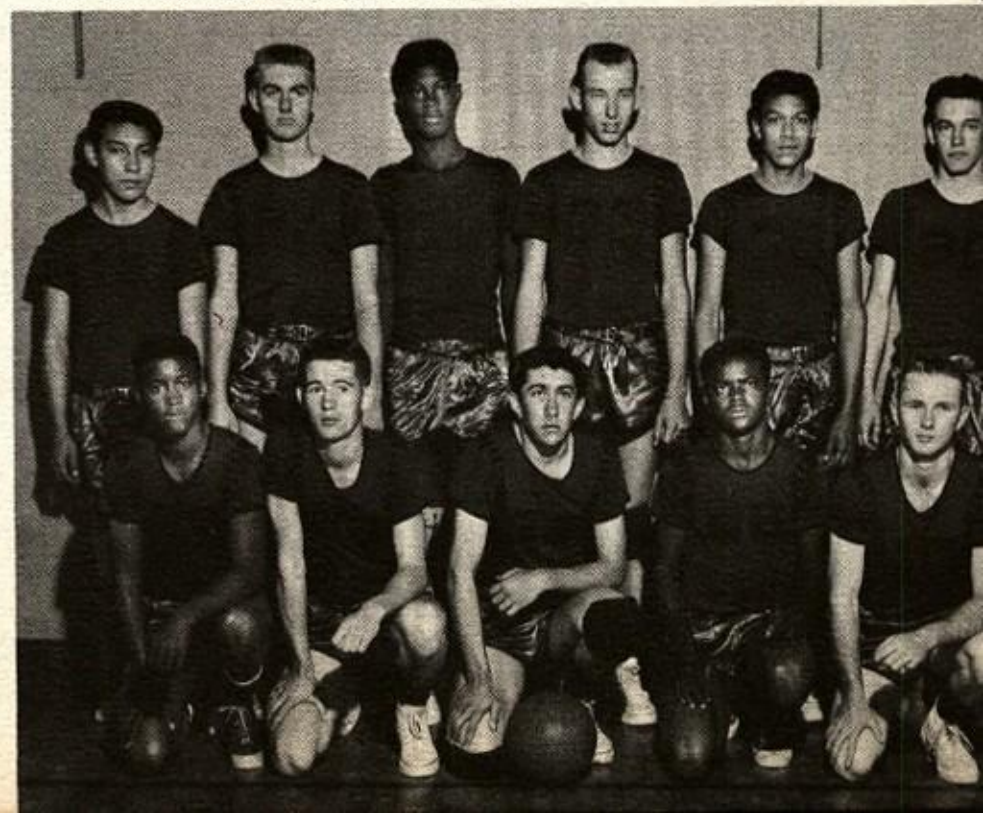

Much outstanding teamwork was displayed by our Cubs. Never ending spirit and the right attitude was felt throughout the whole season by all.

The team boasted a 10-2 win, loss record for the year. When the season ended, we were in a tie for League championship with Dos Palos. We played them again, won, and in turn played the champion of the southern league, which was Lemoore.

A green, inexperienced, but hard fighting team, the Teddybears came out on top to tie Reedley for the "C" class championship of the Northern Sequoia League.

Working together as a well-rounded team they made Selma Hi very proud of them. Losing only three of their league games, they were outstanding in the field of team-work, sharp shooting, and just plain full of hustle.

Their annual undertaking is to sponsor the Sadie Hawkins Dance, which proves to be fun for all. They also footed the bill for the Football Queen's Ball.

Starting a new project this year, the Block "S" sponsored a Boxing Show held in March. In the spring they sold T shirts to help fill next year's treasury. All in all they had a very wonderful year.

The purpose of the G.A.A. was to give all the girls the opportunity to enjoy sports and maintain better sportsmanship. The sports this year consisted of volleyball, speed-away, basketball and baseball. The teams were organized according to the classes.

The one big activity for this year was the "Twirp Twirl" dance, which was held at the Garfield Auditorium. Following this event, the G.A.A. also participated in such social

Pep, enthusiasm and school spirit—throw them all together and what do you have? The Rally Committee, of course.

At the very beginning of the year the school spirit of this group went to the heads of the students through the sale of orange and black beanies. Later on they sponsored the Football Dance and Beverly Munson was chosen as their queen. The attendants for her majesty were Lynne Nakata, Charlotte Cobb and Jeannete Winters. They were escorted by Harold Marquez, Carl Holland and Bob Little.

Student Council Minutes

The meeting was called to order by President Bob Dangaran. The first item on the agenda was getting ideas for sales of student body cards. It was suggested that we have a queen's contest, which we did. Each class was to elect a queen to represent them. The class that bought the most student body cards won the contest. The seniors won and Pat Jorgensen was made Queen of the Selma High Student Body.

We then decided to have a Welcome Freshman Dance and have the freshmen to be the guests. We thought that in as much as they were going to be the guests, they would have to pay half price.

We learned that the first conference we would attend would be a leadership conference at Clovis. Other conferences

would be the first C. A. S. C. which we would be the host; the traffic safety conference of Region III at Porterville; the second meeting of C. A. S. C. Northern Sequoia League at Clovis and the third meeting of the C. A. S. C. Northern Sequoia League at Dos Palos.

There will be a constitution committee formed to recommend changes in the field of athletic awards. They were to meet with the coaches and discuss the probable changes that would be made, and then have the student body vote on them at the end of the school year.

The meeting ended in regular order.

Respectfully submitted,
Grace Harper
